235	Kwang-Yeong Shin	Chung-Ang University 韓國中央大學	Professor of Sociology 社會學教授	It is a regrettable thing to observe a terrible oppression of academic research and freedom of expression in Taiwan. The most fundamental principle of the democratic society is to guarantee full freedom of academic research and expression of one's ideas. If it was violated by the state or any social groups for any reasons, it might be an expression of authoritarianism and political underdevelopment. I will expect that Taiwan is a mature society that allows full freedom of expression and academic research. 目睹台灣發生壓迫學術研究和言論自由事件令人覺得遺憾。民主社會最基本的原則就是保障學術研究和言論自由，如果被國家或是任何社會團體侵害，就是極權主義與政治落後的表現。我希望台灣是個允許言論自由和學術自由的成熟社會。 2003/07/17(Thu) 18:18 http://www.internationalscope.com/journal/volume%202001/issue%205/shin_presentation.htm

238	Aditya	Asia Pacific Rainbow	Joint Coordinator 聯合主持人	Controlling of sexuality has become the hallmark of the neo-right fascist order, led by a coalition of church and political figures who see their power and position eroded by the assertion of right by those whom they have trampled for centuries and marginalised. Prof Ho is only a symbol of a global phenomenon. Those that believe that real emancipation lies in looking the facts of life, including those of sexuality squarely in the face, in spite of the clamour created by neo-right fascist forces to kill these voices, must at this point stand by Prof Ho. The actions against the good professor is deplorable.

	Bonayopaanyay	亞太彩虹連線	副主持人	對性論述的控制已經成為新右翼法西斯份子的標誌，宗教團體與政客組成聯盟，幾世紀以來自以為正確地踐踏與邊緣化他人，何教授只是這個全球現象中的一個象徵。任何相信真解放來自於面對生命真相（包括性的真相）的人，不管新右翼法西斯份子如何喧鬧，也一定要在這時候站出來挺何教授。譴責對這位優秀教授的控告行為。 2003/07/17(Thu) 18:45 http://www.icaap7.jp/data/organizers.html

I sign to express my solidarity with Dr. Ho's work. 當我們試圖解決社會不公時，對性抱持正面態度的研究與課程是必須的。透過我們的研究，那些經常被入罪、被污名化、甚至承受人權被侵犯的危險的人，才顯出了他們的人性和力量。我簽下這份連署是為了表達我支持何教授的研究。 2003/07/17(Thu) 20:22

250	Peter A. Jackson, PhD	Australian National University, Canberra 澳洲坎培拉澳洲國立大學	Fellow in Thai History 泰國史研究員	Democratisation succeeds only when a strong and autonomous civil society outside state structures can come into being. Professor Ho's many years of commendable work in the name of human rights and civil rights represents precisely the type of civil society involvement that Taiwan's nascent democratisation process needs. If Professor Ho is silenced it will not only represent an attack on a distinguished individual, it will mark a large backward step for Taiwanese democracy. 民主化只能在國家結構之外穩固，且自治度高的市民社會中成功。何教授多年來為人權與市民權所進行、令人欽佩的研究，正是台灣仍在進行的民主化過程中所需的民間力量介入。如果何教授被噤聲，那不只代表一個人被打壓，更代表台灣民主的大退步。 2003/07/17(Thu) 20:52 http://www.floatinglotus.com/enter.html?target=authors.html http://www.lib.latrobe.edu.au/AHR/archive/Issue-April-1996/Jackson.html
