National Central University, Chungli, Taiwan 320**

### Bio:

Josephine Ho is Chair Professor and Coordinator of the Center for the Study of Sexualities, National Central University, Chungli, Taiwan. A native of Taiwan, Josephine Ho has been intensely involved in the burgeoning counter-cultural movements since her return to Taiwan in 1988 after receiving two doctorates from US universities. As perhaps the best-known feminist scholar in Taiwan, she later founded the Center for the Study of Sexualities at National Central University in 1995, widely-recognized for both its activism and its intellectual stamina. Josephine Ho has written extensively and provocatively on many cutting-edge issues in the Taiwanese context, spearheading sex-positive views on female sexuality, gender/sexuality education, queer studies, sex work studies, transgenderism, body modification, and in recent years, gender/sexuality deployment under global governance. She has written and edited more than 15 volumes of Taiwanese gender/sexuality research, which have greatly enhanced and challenged Taiwanese academic research into marginal gender/sexualities.
