385	chris lien		learner/student/teacher 學習者／學生／教師	<p>Dear Taiwanese Government officials,I hope you're well.As a Taiwanese borned living in the U.S. This past April, I visited Taiwan for the first time and I was pleasantly surprised by the liberation of Taiwanese people by the progressive government. I had comtemplated to return to live in Taiwan and support the current progressive government with my vote. However,I am sadden to hear that Josephine Ho is being attacked because of her sexual orientation.As once the Taiwanese government officials were persecuted for being Taiwanese when Chen Kai Shek brutally killed many students and took over the country. Why are we attacking our own people for just being who they are? As some Taiwanese people are ready to declare independence, wouldn't it be a stronger voice when people are accepted for who they are to declare a separate and independent identity for the country? May peace be with you, chris lien.</p> <p>親愛的台灣政府官員們，我在台灣出生，現在居住在美國。去年四月我第一次回台灣，我為台灣人民在民進黨政府的領導下，處處展現自由精神而感到驚喜不已，甚至開始考慮回台灣定居，並且用選票支持現在執政的民進黨政府。然而，聽到何春蕤因為她的性學研究而被控告時，我覺得很難過，以前蔣介石殘暴地殺害許多知識分子來接管國家，現在我們為什麼也迫害那些想要做自己的人呢？正當台灣人準備要宣佈獨立時，如果大家可以接受別人宣佈一個不同且獨立的自我認同，這不是可以加強台灣的獨立要求嗎？願你們平安，克里斯．連。</p> <p>2003/07/20(Sun) 12:59</p>
